Students must sign a Graduate Non-Degree Agreement before registering for more than one semester of non-degree course work. For additional information, contact Graduate Admissions, 216 Administration, (901) 678-2911.

STEP 2: ADVISING

NOTE: It is the student's responsibility to obtain initial advising and to follow the prescribed degree program sheet given at that advising session. Any student who needs or desires additional or updated advice should meet with his/her advisor well in advance of the registration dates. If the advisor is unavailable, the student should contact the departmental office. If program changes occur that could result in alterations in degree requirements, student registration clearance flags will be reset to disallow student registration without seeing an advisor.

REGISTRATION CLEARANCE

Most degree-seeking students must obtain registration clearance from an advisor to register. Students should contact the appropriate advising area to set up an appointment **well in advance of** their assigned day for registration. While non-degree-seeking students are not required to have registration clearance, those considering future degree-seeking status are encouraged to seek advising.

The following students must receive registration clearance from an advisor: (1) first time freshmen and transfer students, (2) students on academic probation, (3) students receiving veterans' benefits, (4) students who have not enrolled in required Transitional Academic Studies courses, and (5) participants in varsity sports.

STEP 3: STUDENT FINANCIAL AID

Financial Aid for the Spring Semester

A. **Current Aid Applicants.** You have completed the 2000-2001 FAFSA (Free Application for Federal Student Aid).
   1. Register for at least half-time credit hours:
      - Undergraduate students register for a minimum of six (6) undergraduate credit hours.
      - Graduate students register for a minimum of five (5) graduate credit hours.
      - Law students register for a minimum of six (6) law credit hours.
   2. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2000-2001 Loan Request Form at the end of this Financial Aid section.
   3. All 2000-2001 awards are subject to a review of your academic record at the end of the spring semester.

B. New Applicants for 2000-2001.
   1. You must be ACCEPTED or currently enrolled in a degree-program, and if seeking a second bachelor's degree, have declared a major. If you are in a conditional, special admission, or non-degree status, you are **not** eligible for financial aid.
   2. Complete the 2000-2001 Free Application for Federal Student Assistance (FAFSA) and mail in the envelope provided. Be sure to list The University of Memphis (Title IV code 003509) in Step 6 of the FAFSA.
   3. When your FAFSA is processed, a Student Aid Report (SAR) will be sent to you. Immediately review the SAR for accuracy. If corrections are required, make them on part 2 and submit the corrected SAR to the U of M Student Financial Aid Office. You may be required to submit additional documents before an award can be made.
   4. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2000-2001 Loan Request Form at the end of this Financial Aid section.

C. Awarding and Disbursing
   1. When all required documents have been received, you will receive a Financial Aid Notification (Award Letter) which you should review. If you need to make any changes, sign and return it as soon as possible. Your awards will then be finalized.
   2. If your award includes a Direct Loan, you may be contacted about signing a promissory note. Federal regulations require that the loan be divided into two disbursements. Once you sign the note, the first half of the loan will be disbursed at the beginning of the term and the second half at the middle of the term.
      NOTE: Beginning with the Fall 2000 semester, you may not need to complete a new Master Promissory Note (MPN) for Direct Loans (subsidized and unsubsidized Stafford Loans) assuming you completed an MPN and received loan monies during the 1999-2000 year.
   3. Federal regulations require that the first loan disbursement to first-time freshmen be held for 30 days.
   4. When financial aid is disbursed, university charges are deducted before any remaining balance is given to you. Refer to the Fee Payment section of this Schedule for information of the disbursement of financial aid.

D. Satisfactory Academic Progress. Students applying for or receiving financial aid must meet the academic standards in order to establish or retain their eligibility. Refer to the undergraduate bulleting or to the financial aid website at - http://www.enrollment.memphis.edu/financialaid/

E. Receipt of Aid from Other Sources
In determining a student's eligibility for the need-based financial aid programs, all other aid received by the student is counted as a resource and subtracted from the student's budget. This includes external and institutional scholarships, undergraduate and graduate fee waivers, Vocational Rehabilitation, and Veterans' Educational Benefits. Excluded are short-term loans and non-Federal Work-Study employment.

CLASS ATTENDANCE IS REQUIRED

Faculty will report all students who do not begin or who stop attending classes. Students who receive federal/state financial aid may have awards reduced or cancelled. This can potentially result in a student owing a financial liability to the university.

STEP 3: STUDENT FINANCIAL AID

RETURN OF FUNDS - EARNING YOUR FINANCIAL AID

The Higher Education Amendments of 1998 established the concept that financial aid must be earned though class attendance. A student has not earned 100% of his/her financial aid until he/she has attended at least 60% of the term. The 60% point of the spring 2001 term is March 16, 2001. **PLEASE NOTE: The withdrawal deadline at The University of Memphis for Spring 2001 term is March 2.** If a financial aid recipient totally withdraws on or before the 60% point of the term, there is a portion of the aid that has not been earned. The unearned portion of the aid is equal to the percentage of the term remaining at the point of withdrawal and must be returned to the Department of Education. The unearned portion is repaid by both the student and the school based on a federal formula. The school can use any refund generated by the withdrawal to pay the portion it owes back. However, depending on the time of withdrawal, the student may also be responsible for repaying a portion of his/her fees that had been previously paid by the financial aid.

Students who withdraw through the 60% point of the term will receive a letter indicating how much they are responsible for repaying to the federal financial aid programs and to The University of Memphis.

The following example illustrates the Return of Funds:

The student withdraws on the tenth day of a term that is 100 days long. He/she has received $2,000 in federal grants which paid his/her fees of $1,500 and gave the student a balance check of $500.

CALCULATING THE UNEARNED FINANCIAL AID:

Length of Term = 100 days
Days Not Attending = 90 (100 – 10)
Total Financial Aid = $2,000
Total Fees = $1,500
Percent of Aid Unearned = 90 (90 ÷ 100)
Total Unearned Aid: = $1,800 ($2,000 x 90%)

CALCULATING THE REPAYMENTS:

Each student's balance is calculated based on the date of withdrawal, the amount of financial aid received, and whether the programs of financial aid received include grants or loans. **If a student must totally withdraw, it is best to attend class through 60% of the term to avoid any financial penalty.**

A **balance** is calculated based on the adjusted fees and reduced grants. The student is given a pro rata adjustment of the fees (refer to "Refund of Enrollment Fees" in this Schedule of Classes):
Adjusted fees = $150 [$1,500 - $1,350 ($1,500 x 90%)]
Adjusted grant = $200 ($2,000 original grant - $1,800 unearned grant)
The student is due a $50 refund from the University based on the difference between the adjusted fees ($150) and the adjusted grant ($200).

The **University must repay** the lesser of the total unearned financial aid, or the total fees multiplied by the percent of aid unearned. Since total fees ($1,500) are less than total aid ($2,000), the amount to be repaid is based on the total fees.
Total financial aid to be repaid by the University = $1,350 [$1,500 (fees) x 90%]

The **student must repay** the portion of the unearned aid not repaid by the University. Federal regulations allow unearned grant to be reduced by half. Student's portion of unearned grant = $450 ($1,800 unearned - $1,350 repaid by the University).
Grant to be repaid by student = $225 ($450 x 50%)

The Higher Education Amendments of 1998 specify the following order in which any unearned amounts are to be returned to Title IV financial aid programs: Federal Direct Loan Programs (unsubsidized then subsidized); Federal Perkins Loan Program; Federal Direct PLUS loans; Federal Pell Grant Program; Federal SEOG Program; any other programs funded by Title IV including the Tennessee Student Assistance Program; other federal, state, private or institutional aid programs. Any amount remaining after the applicable programs have been fully repaid is returned to the student.

Federal Direct Loan Request • 2000-2001

Fall 2000, *Spring* 2001

What is a Federal Direct Loan?

The Federal Direct Loan Program is a cooperative effort between the federal government and educational institutions.

- The federal government provides the loan funds.
- Schools determine the loan amount based on at least half-time enrollment (6 undergraduate credit hours for undergraduate students, 6 law credit hours for law students, 5 graduate credit hours for graduate students), confirm eligibility, and determine the loan period.

Direct Loan provides funds to help you meet your educational expenses. However, unlike gift aid, loans must be repaid. Federal Direct Loans are offered in two forms; subsidized and unsubsidized.

- ***Subsidized:*** You will not be charged any interest while you're in school (as long as you remain at least a half-time student) and during grace or deferment periods. The federal government "subsidizes" the interest during these periods. Your interest begins to accrue and repayment of the principal begins six months after enrollment in an educational institution ceases.
- ***Unsubsidized:*** You are responsible for your interest. Your interest accrues within sixty days of disbursement and may either be paid while you are in school or capitalized and added to the principal loan amount borrowed. As with subsidized loans, principal repayment begins six months after enrollments in an educational institution ceases.

Graduate	$8,500	$10,000	$18,500

** available to independent students*

Your Total financial aid, including Federal Direct Loans, can never exceed your cost of education. The limits indicated are the federal maximums which you can receive during two terms of enrollment.

There are aggregate loan limits, in addition to annual loan limits. Students may never borrow more than the aggregate loan limit for all subsidized and unsubsidized loans at The University of Memphis and other schools.

AGGREGATE LOAN LIMITS		
	Base	*Base plus Extended*
Undergraduate	$23,000	$ 46,000
Graduate	$65,500	$138,500

Every Federal Direct Loan period is required to have two disbursements:

The beginning and mid-point of the term for one-term loans, or the start of each term for two term loans.

New freshmen borrowers receive their first disbursement after attending class for 30 days.

If you do not need to borrow the maximum amount, you can choose to borrow less.

In deciding the appropriate amount, you should follow these steps.

1. What are your costs for an academic year? Add your costs together for tuition / fees, room and board, books and supplies, transportation and personal expenses.

2. Subtact your resources from these costs. Consider all aid and private scholarships you have received as well as money from savings and your family.

3. Decide if you **need** to borrow. Before you borrow funds, are there other resources available to you? Review your expenses to see if you can reduce your costs.

4. Consult the repayment chart below. What will be the monthly payments be if you borrow this amount? Remember to consider what you may borrow in future years.

5. Select the amount that you can manage to repay. What you borrow today, must be repaid, with interest, in the future. Remember to be as conservative as possible when borrowing funds.

REPAYMENT CHART

Your educational borrowing will have an effect on your future life-style. You need to be aware of what your monthly loan payments will be **before** you commit to that loan amount. Your loan repayment period will not exceed ten years and will require a minimum monthly payment of $50.00. Based on an 8% interest rate, you can expect to make these payments for ten years. Each time you borrow, review the sample loan repayment chart below.

Total Borrowed	Monthly Payment
$ 5,000	$ 61.00
$ 10,000	$ 123.00
$ 30,000	$ 368.00
$ 50,000	$ 613.00
$100,000	$1,227.00

02/2000

If you responded "yes" to the student loan question on your FAFSA, you will be **offered** the maximum amount of subsidized and unsubsidized loan for which you are eligible. Only use this form if you want a student loan, **and/or** if you want to borrow **less** than maximum, **or** you do not want to borrow an unsubsidized loan (interest on unsubsidized loans accrues while you are in school and during your six month grace period).

STUDY TIPS

IF YOU'VE EVER SPENT HOURS STUDYING ONLY TO DISCOVER YOU HAVEN'T RETAINED ANYTHING THE NEXT DAY, THE FOLLOWING TIPS MAY HELP YOU TO STUDY MORE EFFECTIVELY.

WHEN & WHERE TO STUDY

- It is recommended to study two hours for every hour spent in class.
- Establish a study schedule for each class and stick to it.
- Don't pull an all nighter. You will retain more without wearing yourself out if you study in more regular, shorter sessions.
- Identify gaps in your schedule that can be used for studying. For example, the time between classes or waiting for a bus is perfect for reviewing notes.
- Set up a study area in a quiet place. Be sure to have everything you may need within reach.

STAYING FOCUSED

- Start each study session by setting goals. Prioritize your work by deadlines and by the amount of time the material will take to get through.
- Break up a study session with short breaks to stay alert. Get up and move around. Try incorporating breathing and stretching exercises to really get a fresh start.
- Eliminate distractions such as television or radio noise. Noisy roommates? Try the library or another study area on your campus.
- Make sure others respect your study time; learn to say no to demands that will interrupt it.
- Don't overdo it. Only do what is appropriate.

The following refund deadlines/percentages apply to students who withdraw from the University or who drop to a reduced number of credit hours below full-time by the dates indicated below (Note: the final refund period ends earlier than the final deadline for dropping courses or withdrawing from the University):

DEADLINE	FULL SESSION	FIRST SESSION	SECOND SESSION

A full (100%) refund will also be provided for courses cancelled by the University or in the case of the death of the student during the semester. Please refer to the student aid section of this publication for specific information on pro-rata refunds and the return of federal financial aid funds.

The University refund policy is based entirely upon the official date of withdrawal or change of course which would result in a refund. Refunds beyond the specified dates/percentages indicated above will not be made for reasons such as employee conflicts, health or medical problem, moving out of town, or other reasons beyond the University's control or responsibility. The refund percentage is NOT calculated on the amount of payment, but rather on the student's total enrollment fees assessment. Therefore, students who satisfy fees using the Installment Payment Plan may still have a balance due the University for unpaid fee amounts despite their withdrawal from some or all of their courses.

Refunds will be processed and mailed to students **beginning approximately ten (10) days after classes begin**. The University will offset against proposed refunds any amount owed by the student to the University.

Traffic Fines/Citations – Traffic fines and citations may be appealed through a separate process on forms available from the Parking Office, Office of Judicial Affairs, or the Student Government Association Office.

Residence Life – Appeals related to Residence Life financial matters should be filed first with the Office of Residence Life for review within their process. After all enrollments are complete, any over-collections will be refunded and students will be billed for any under-collections.

Fees for AUDITING courses are assessed on the same basis as fees for credit courses. Courses offered between terms, for a concentrated period during a term, or at specific locations may be subject to fees on a per-hour basis only.

Regardless of academic status, students will be allowed to register for classes for the following term. However, students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin. If the grade report indicates suspension, a student is required to remain out of the University one or more semesters. For example, if a first suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

TRAC suspension questions should be directed to Transitional Academic Studies, 203 Administration Building, (901) 678-2028.

REPETITION OF COURSES
Normally, a student may not attempt the same course more than three times for the purpose of obtaining a passing or higher grade. The dean of the college from which the student intends to graduate may make exceptions to this limitation. Exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course. The student's grade point average will be computed as follows:

Number of Attempts	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd and subsequent attempts

The record will continue to reflect all grades earned in the same course.

Courses repeated after a degree is awarded may not be used to replace grades earned prior to the degree's being awarded.

The University of Memphis - Statement of Mission

The University of Memphis is a member of the State University and Community College System of Tennessee and is governed by the Tennessee Board of Regents. As an urban university, The University of Memphis provides a stimulating academic environment for its students, including an innovative undergraduate education and excellence in selected research areas and graduate programs. The academic environment extends beyond the campus boundaries to encompass the entire community.

Education is enhanced through exposure to diversity in the composition of the student body, faculty, staff and administrators; including women, minorities, individuals with disabilities and various age groups and religions. The University has responded to the challenging responsibility of being located in a culturally diverse region by developing a unique blend of teaching, research and service that contributes to the growth of the Mid-South region.

Teaching brings the benefits of scholarship and research to students and through them to the people of the area. The University of Memphis asserts that excellence in teaching traditional and non-traditional students is its central responsibility. A comprehensive undergraduate education, grounded in the arts and sciences, develops intellectual, cultural and ethical qualities in its students. The innovative General Education Program challenges students to develop the analytical and critical skills necessary for lifelong learning. The University of Memphis offers masters and doctoral degrees in selected graduate programs as well as degrees in the major professional areas. Through learning begun at The University of Memphis, graduates compete in the global intellectual community in which they live.

As a research university, The University of Memphis develops, integrates, disseminates and applies knowledge. Faculty maintain ongoing programs of basic and applied research or creative activities appropriate to their disciplines. The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

The University of Memphis, through its research, teaching and outreach roles, responds to individual needs, such as the support of health care and preventive health services. The University addresses broader issues as well, for instance, K-12 education, economic development, environmental initiatives, international programs, computing and telecommunications.

MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown, which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review in the Environmental Health and Safety Office, 216 Browning Hall. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (119 Administration Building 678-2996). New students should be prepared to furnish the following items as needed: a VA copy of their DD 214 (Certificate Of Release Or Discharge From Active Duty), DD 2384 (Notice Of Basic Eligibility), or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veterans Request for Certification Form.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Evaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your advisor, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex or race. Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience and well being of students, faculty and staff. Incidents involving sexual harassment or racial harassment have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories: verbal, visual, and physical. The examples listed above are not exclusive, but simply represent types of conduct that may constitute sexual harassment. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to:
   1. refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. promising a work-related benefit or a grade in return for sexual favors
   3. suggestive or inappropriate communications, e-mail, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. suggestive or insulting sounds
   6. whistling in a suggestive manner
   7. humor and jokes about sex that denigrate men or women
   8. sexual propositions, invitations, or pressure for sexual activity
   9. implied or overt sexual threats
   10. suggestive or obscene gestures
   11. patting, pinching, and other inappropriate touching
   12. unnecessary touching or brushing against the body
   13. attempted or actual kissing or fondling
   14. coerced sexual intercourse

15. sexual assault
    Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security and crisis intervention centers may supersede the process developed under this Guideline.

C. Consensual Relationships - Intimate relationships between supervisors and their subordinates, and between faculty members and students are discouraged since such relationships could lead to undue favoritism or the perception of undue favoritism. Such relationships are improper when they influence or could reasonably be expected to influence decisions or actions in University-related matters.

D. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way that abuses or offends their coworkers.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs, 105 University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges, not relating to complaints against students, should be directed to the University Affirmative Action Officer, 156 Administration Building, for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:12:04A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and staff where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures as stated herein.

The President has assigned the University Equal Employment/ Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

A. Complaint by faculty member or staff against student - Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and disposition.

B. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each allegation will be properly and promptly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action that is appropriate, e.g., suspension with pay, pending the outcome of the investigation by the EEO/AA Officer or Assistant Dean of Judicial Affairs. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the allegation to the designated EEO/AA Officer or Assistant Dean for Judicial Affairs responsible for compliance with Title VII of the Civil Rights Act of 1964, Title VI, or Title IX of the Education Amendments of 1972.
2. Every attempt will be made to get the aggrieved party to provide the allegation in writing. The allegation shall include the circumstances giving rise to the allegations, the date of the alleged occurrences, and names of witnesses, if any. The allegation shall be signed by the aggrieved individual. However, where the aggrieved individual refuses to provide or sign a written allegation, the allegation will still be investigated, and recommend to the President appropriate action. Allegations made anonymously or by a third party must also be investigated to the extent possible. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action that may or may not be the steps outlined in the remaining paragraphs of this guideline.
   If there is insufficient evidence to corroborate the allegation(s) or, in any situation in which the alleged victim refuses to cooperate in the investigation, it may be appropriate to discuss the allegation with the alleged harasser, informing him or her that s/he is not being accused of a P-080 violation, but that the conduct alleged could be found to violate this guideline. Any investigation and subsequent discussion should be documented and a report submitted as set forth in this procedure.
3. The Office of General Counsel shall be notified of the allegation, whether written or verbal, as soon as possible after it is brought to the attention of the EEO/AA Officer or Assistant Dean for Judicial Affairs and the investigation will be under the direction of the General Counsel. On campus legal assistance shall be forwarded a notice of the allegation.
   Where a student is the party against whom a complaint is made, all documentation shall be subject to the provisions and protections of the Family Educational Records and Privacy Act (FERPA).
4. The EEO/AA Officer or Assistant Dean for Judicial Affairs shall notify in writing the alleged harasser within five (5) working days of receipt of the allegation. The alleged harasser shall respond in writing to the allegation within five (5) working days of notification. The alleged harasser should be notified that any retaliation against the accuser is strictly prohibited regardless of the outcome of the P-080 investigation and may, in itself, be grounds for disciplinary action.
5. The EEO/AA Officer or Assistant Dean for Judicial Affairs may meet with both parties for the purpose of resolving the charge informally. If informal resolution is successful in resolving the complaint, a report of such, having first been reviewed and approved by the Office of General Counsel, shall be submitted to the President.
6. A report shall be submitted to the President and the parties within twenty (20) working days following receipt of the allegation. Each report shall outline the basis of the allegation, including the dates of the alleged occurrences, the response of the alleged harasser, the findings of the EEO/AA Officer or Assistant Dean for Judicial Affairs and all attempts to resolve the allegation informally and recommendations regarding disposition of the allegation. If following an investigation the EEO/AA Officer or Assistant Dean for Judicial Affairs finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.

. The President shall review the report and make a final determination as to whether a violation has occurred and, if so, what the appropriate resolution should be.

If the investigation reveals evidence to support the allegation, the President may meet with the charged party and/or the aggrieved party and attempt to resolve the problem by agreement. Appropriate steps must be taken to ensure that the harassment will not reoccur. The charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. An alleged harasser may request a hearing within ten (10) days following receipt of the report.

. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established The University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established institutional procedures, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her.

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.
3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate University of Memphis official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When an allegation involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. However, where the investigation results in a finding that the harassment policy was violated and the President concurs with that finding and determines that the harassment constitutes adequate cause for termination, then the matter will proceed directly to a hearing under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00.

HE UNIVERSITY OF MEMPHIS' POSITION ON DRUG AND LCOHOL USE BY STUDENTS

. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.

- At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
- Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.

Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled substance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $1,000,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or college campus (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $1,000,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infection increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services free to students, include the Center for Student Development's Psychological Counseling Unit and the University's Health Center, and for a small fee, students are seen at the Department of Psychology's Psychological Service Center. For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contacted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see "Code of Student Conduct" at www.memphis.edu/stuhand2 or contact the Office of Student Judicial and Ethical Programs at 678-2298.

SEXUAL ASSAULT

What acts are considered sex offenses?

According to Tennessee law, sex crimes involve the use of force or coercion to sexually touch or sexually penetrate the victim's body. Threats of death or use of a weapon increases the severity of legal charges. Sex crimes can be prosecuted even if the victim knew the attacker, the victim did not fight back, the victim had sex with the attacker before being raped, or the victim was drunk or unconscious.

What should I do if I'm sexually assaulted?

Seek medical attention immediately. Do not shower, change clothes or disturb the scene of the attack. Go to the emergency room or call the Memphis Sexual Assault Resource Center (272-2020). Ask a friend to go with you, if possible. Medical personnel will treat the physical consequences of assault, such as injury, infection, disease and pregnancy. They can collect evidence that will be needed if you report the crime. They are required to contact local law-enforcement agencies; however, you may choose whether to speak with police

personnel. You may choose to report the crime through several means.

Individuals at the Memphis sexual Assault Resource Center (272-2020), the Office of Judicial Affairs (678-2298), Police Services (678-4357), or the Center for Student Development counselors (678-2068) can talk with you about your decision to report the crime, help you find the resources you need, and respond to requests to change your academic or living situation because of the attack. Several community counseling services available to victims of sexual assault are listed in the Memphis Yellow Pages, under "Counseling". Remember, there is no shame in being raped.

Whether or not legal changes are filed, students accused of sexual abuse or assault are subject to disciplinary actions from the University, including suspension or other sanctions deemed appropriate. Both the accuser and the accused are entitled to have as advisor present during the disciplinary proceedings, and both will be informed of the outcome of the proceedings.

How does the University educate students and staff about sex offenses?

The offices and agencies listed above have information or referrals for rape awareness and prevention. In addition, the Center for Student Development, Student Health Services, and the Crime Prevention Unit of Police Services offer workshops, speakers, and programs on sexual assault education; participate in the Sexual Assault Awareness and Prevention and Campus Acquaintance Rape Education Programs; provide counseling for students; and distribute brochures on dating violence, acquaintance rape, rape crisis services. Tennessee sex crime laws and guidance for rape victims and their family and friends.

CRIME AWARENESS & CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D: 06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (100 Zach Curlin Parking Garage), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

   The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.
3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an annual in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

   Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a university student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.
6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.
7. No person, other than law enforcement officers when in the discharge of their official duties, may possess a weapon on premises owned, operated, managed, or under control of The University of Memphis. This exclusion includes individuals who have obtained permits to carry concealed weapons from the State of Tennessee or any other entity.

SEE FOLLOWIING PAGE FOR REPORTED CRIMES STATISTICS.

GRADUATION AND RETENTION RATES

The projected graduation/completion rate for full-time freshmen who entered in the fall of 1994 and graduated within 6 years is 34.1%. The first-year retention rate for the same cohort is 71.5%..

PARKING REGULATIONS

The U of M Parking Office is located at 120 Zach Curlin Parking Garage. Office hours are Monday - Thursday, 7:00am - 6:00pm, and Friday, 7:00am - 4:30pm. However, no receipts will be given in the last 30 minutes prior to closing. Please note: Hours may differ during U of M's student registration periods. Contact the Parking Office at 678-2212 for specific operating hours.

Campus Traffic and Parking Regulations are available in the Parking Office, 120 Zach Curlin Parking Garage, the Office of Judicial Affairs, the University Center, and the Visitor's Information Center located at the corner of Patterson and Central. Every vehicle parked on campus must have a University of Memphis parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of **VISITORS ONLY**. Parking permits (hangtags) are designed to hang from the inside rearview mirror post. A temporary parking permit (hangtag) must be purchased from the Parking Office when a permit is forgotten. A lost or stolen permit must be reported to the Parking Office. A $10.00 replacement fee is charged for any lost or stolen permit. Parking permit fees range from $20 - $152 per semester depending on the level of parking desired. For additional information, telephone the Parking Office at 678-2212.

Parking Lots available include: Priority (gate access), Reserved, General, Resident or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold on a first come, first serve basis and are sold for either day (24 hours access) or evening (4:30pm-midnight) use. Applications for gate-access parking are available in the Parking Office or in the Fee Payment Center (University Center) during registration. Resident students may charge resident parking fees on their university account during dorm check-in.

Vehicles must be parked within parking spaces delineated by white/yellow lines. Improperly parked vehicles may be ticketed or

towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the parking garages located at Deloach Street and Zach Curlin. Visitor Parking Permits (hangtags) are available in the Visitor Information Center or at the Parking Office.

Garage parking is available Monday through Friday at Zach Curlin and Deloach Avenue. Garage rates are posted at the entrance of each garage.

University Police officers, parking assistants, faculty/staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile, they should be placed out of sight. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol by calling 678-4357, or by using any emergency telephone located at various sites across campus in the lobbies of most academic buildings.
